**Our Soul Purpose Is To Serve:**

We minister mainly to the Homeless, but we are also there for those who have housing, but may need such things as towels, dishes, etc. We will also help you find other outlets that may be able to help you. We are not set up to financially help others, but if you do need financial aid, we can send you an email of all the agencies that provide those services.

We will Pray for you, read the Word of God with you, listen to you, and offer you items from our Donation Room. We will help you find a local Church through social media, and we have our own email and Facebook page, for those who want to keep in contact with us on a daily basis.

In this type of endeavor, it is hard to give you an exact number of souls that have been touched by our Ministry, but I am confident that it is well over 100. Through our different programs, we have come into physical contact with at least that many souls. And that does not count those we have met online, through emails, and over the phone

### Our Goals Now And For The Future:

One of our main goals, is to place a Bible in the hands of everyone we come into contact with. As the Founder, I have a connection to The Gideons, and they bring New Testament Bibles to my church for me to pass out to those in need.

So, we want to supply not only food and clothing, but also the Love of Jesus, to their hearts and homes. This is the most important part of our Fellowship Soul Center!!! If we do not share our Witness, we are just another soulless, faceless person for them to see. It is when we tell them the Good News of Jesus, then they know who they can go to when they need more than just a blanket or a cup of tea.

Our future goals are to open a Rehab Center, a Mentor Center, and to teach others how to Grow in Grace. I would love to see this Ministry become a Church for Street Preaching, Teaching, and Studying Gods Word! My Prayer is to see this ministry grow and change people's hearts and lives. It is what changes me. I was in addiction, and on my way to hell, but through the Gospel of Christ, I am now Saved by Grace, and Forgiven and Blessed by my Heavenly Father.

### A Little About Me:

My name is Romilda "Milli" Dehn, and I appreciate your interest in what we are doing for our local community!

I'm single, and living in Hernando, with my cat Mixi Magoo. I'm the youngest daughter of a very large family, and my father is the Pastor/Founder of House of Power Church in Hernando, Florida. Through this church, I have held many positions. I've worked in the nursery, and have been the Sunday School teacher. I have also been the Teen Leader, and Children's Church teacher. I have been the janitor, and I've also been the Director of Sound and taught others how to run our sound booth. I've worked in the office, and at this time, my job is taking care of the kids during Adult Bible Class on Sunday mornings.

In 2021, I was asked to join the Board of Directors for a non-profit that works strictly with the homeless. This non-profit is a Christian based organization called B.A.S.I.C.S. United (Brothers And Sisters In Christ's Service). Through this outreach, the cold weather shelter for our county was born, and there are so many more things that we do, and I am honored to be a part of this very much needed Ministry.

I enjoy my free time by watching documentaries, singing along to my favorite songs, being on Facebook, and playing solitaire on my phone.

My favorite Bible verse is: Jeremiah 29:11 (The Lord has a plan for each of our lives).

### **Meet Our Team Members:**

Brian & Casey Leavitt, Jennifer Reid, Teresa Banks

#### **Brian:**

Brian works in our ministry as our Male Covering. He is an Overseer, and a Mentor of the Gospel. He is also our Prayer Warrior. When Brian is not at work, he also helps us in any other capacity that he can when he is able.

Brian works in Citrus County as a CNA. He has a lot of experience in home health care, and he also provides a home for his mother and brother, as they both suffer from mental health disorders. His passion for helping others is so unusual to witness in a man, and his heart just takes over when he sees others in need.

Brian enjoys his free time by playing the drums, and going out to eat with family and friends, and helping/hosting clean family fun karaoke parties, and going to concerts with his oldest son Jake.

His favorite Bible verse is all of Psalm 91 (The Lord is our Strength)

#### **Casey:**

Casey works in our ministry as our Donations Director. She works at keeping a record of what we have on hand, and items we have need of, as well as what to bring to our free events, to pass out to those who are in need. She also donates much of our inventory from her own family of 7 people. She gives so much, and never asks for anything in return, except to be there to help out.

Casey has been in the management field, but many years ago she decided that her home and her 3 children, all who were homeschooled from day one, needed her there more than any job ever would. She left the customer service industry to care for her home, her children, her mother-in-law Pauline, and brother-in-law Mark.

Casey now has her own home-based business, through eBay, and she also sells Kangen Water Machines to those who want to make a healthy change in their lives. She devotes her time to everyone who needs her, with a loving heart and an open mind. And she still finds time to help run our ministry!

Casey enjoys her free time by studying her Bible, going to the YMCA and being on her swim team, competing in swimming competitions, and watching her favorite tv shows.

Her favorite Bible verse is: 1 Corinthians 13:8 (Love never fails)

## Jennifer "Jenny" Reid:

Jenny joined our team in 2022 and she has been a go-getter since day one. Jenny has overcome a lot of obstacles in her life, and she has an enormous Testimony to give anyone & everyone who will listen. (Check out our Youtube Channel to hear it). I am proud to have her as part of our team, because she has such a level head on her shoulders, and a no-nonsense personality. And when you need something done, Jenny comes through!

In our ministry, Jenny is our Programs/Events Director. She has plenty of great ideas, and she can implement them as well. When you give her a task, look out, because she will not stop until she has achieved her goal. I'm thankful for Jenny, because she is not afraid to just jump on in, and do what she can.

In her work life, Jenny is a Shift Leader for Lee's Chicken in Ocala, Florida. She worked her way up from the bottom, and all that hard work, has helped her to achieve this position. She definitely knows how to work hard with the best of them.

At Church, Jenny is also the Children's Church Leader, and she has been teaching the littles how to be awesome Jr. Christians. They are always excited to go out with her during church service, and they are learning a lot since she started this position.

Jenny enjoys her free time doing some strenuous exercising. She rides her bike, and does marathons. She also loves to travel, and do a lot of reading, and her greatest down time, is spent just hanging out with her niece.

Her favorite Bible verse is: 2 Corinthians 12:10 (For when I am weak, then I am made strong)

### **Teresa Banks:**

Teresa works in our ministry as our Business Director. She is also my oldest sister, and I am so very thankful that she has joined us. Her jobs include working on our non-profit mission statement for when we are ready to set that up. She also makes sure we have the correct information for all things ministry/business. And if we do receive funds, she keeps track of that as well.

Teresa also has a job at her church in Clearwater, Florida, where she lives. She attends the Chapel-By-The-Sea Church, which is right on Clearwater Beach, and she is a part of the office staff there as well.

My sister is one smart cookie. When she was in college at U of L as an adult, she not only took courses for her own degree, but she was teaching courses at Ivy Tech Community College as well. Teresa then went to work for Bank One in Louisville, Kentucky, and she was there for quite a long time.

In her down time, Teresa enjoys all things beach. She loves to lounge on the sand and get herself a nice tan. She also enjoys going to events and supporting local artists and musicians. Teresa has one cat, her name is Blu, and she is such a sweet kitty. (Blu is 17 years old) Teresa also loves spending time with her husband Roy, and they both enjoy the sights and sounds of Clearwater, and all things big city.

Teresa's favorite Quote:

"I fairly sizzle with zeal & enthusiasm and spring forth with a mighty faith to do that which is to be done by me. "~~Charles Fillmore~~
