

## **MOUNTAIN OF COMFORT GLOBAL MINISTRY (MCGM)**

My name is Amin Jeremiah Nguluma a student of Christian Leaders Institute since 2019. I am a father of two children from my wife Agness. We are happy to be a Christian family with a high desire to serve our Lord Jesus Christ. Though I was born from the Christian family but actually the whole family were not active Christians except me and my elder sister Ana who we were participating in church activities including attending worship sessions and other events.

Since my early young stages, I was desired to serve in the church and hence I struggled to find knowledges but also chances to join Bible colleges for the sake of seeking knowledge which could empower my calling, but I failed to get such a chance. I am thanking God our heavenly father because in my struggle I found a Christian Leadership Institute's website. I got so much knowledge and understanding on how to serve the word of God as well as being accredited as an Ordained minister, Deacon, a House church minister, Christian life Coach, Officiant minister as well as a Small Group Minister and many other Ordination positions. I am so confident to minister the gospel because of what I got in various courses such as People smart in Ministry, Bible survey, Bible Interpretation, Sermon preparation and preaching, House church ministry e.t.c

I also awarded various certificates and Diplomas such as; Certificate of Christian Ministry with its Diploma, Certificate of Ministry with its Diploma, Certificate of Divinity with its Diploma and Commission Pastor certificate and its Diploma but also the Bachelor degree in Christian Leadership.
