Getting to Know Me

I am Dr. Edyth Young. I will always remember when I was 16 years old kneeling at my Kitchen table praying with friends of my family telling Jesus that I wanted to be save from my sins, and for him to please come into my heart. It was at that very moment; I felt the spiritual hand of Jesus on my shoulder. It was an amazing experience. Giving my heart to Jesus was the best thing for me in high school and college. Jesus guarded me from getting into things that would have totally change

the trajectory of my life. Instead, he placed me on a path that he planned for me to give me a future, and a hope that he declares every day over my life. (Jeremiah 29:11 NIV).

I did four years of ministry training at Christian Leaders Institute, and I was ordained as a Minister Chaplain through Christian Leaders Alliance in 2025. I first studied at The Hospice Chaplaincy Institute, and after a considerable amount of training and application experience, I received my certification as a Hospice Chaplain. I am forever grateful, and humbled for all the blessings and enlightenment over, my three plus decades of being an educator/ professor and Reading Specialist in Universities and School Districts, and now I have dedicated my life to the ministry of Chaplaincy.

This Fellowship Soul Center: A Placed Called Comfort is primarily a place guided by Chaplain Dr. Young standing humbly before our Lord Jesus Christ as his servant to share his gift he has graced me with as a Hospice Chaplain to bring his loving compassion and comfort to the comfortless and brokenhearted. I want to have an open-hearted Soul Center as a place where grieving souls from any type of loss or heartbreaking situation can come together in fellowship to work through sorrow and grief through pray, Bible readings, songs, relaxing breathing techniques, and heavenly meditations. The Soul Center will also have weekly Sunday School, and the sacrament of communion.

My Calling to this Soul Center is centered around bring comfort, support, and the compassion of Jesus with my Chaplaincy background. I am also called to teach. God has blessed me with the gift of teaching. Therefore, this Soul Center will also have a teaching component for Sunday School that provides comprehensive teaching and learning experiences.

A Place Called Comfort is a place of God's unconditional love to strengthen, and nurture souls to draw closer to our Lord and Savior Jesus Christ.
